TAKING EDUCATION TO THE PEOPLE

TAKING EDUCATION TO THE PEOPLE

**Aim**

The Certificate in English Communication aims to improve the proficiency skills of students to a level where they can communicate and study more effectively through the medium of English and, therefore achieve greater success in their studies and at the workplace.

The programme will enable students to:

- develop the ability to use English effectively, accurately and appropriately for the purpose of practical communication in speech and writing;
- understand and respond appropriately to what they hear, read and experience;
- form a sound base for the skills required for further study or employment using English as the medium of communication

Overall, this course will enable students to:

- demonstrate proficiency in the use of listening skills, reading skills, speaking skills;
- demonstrate ability to produce basic written communications and report writing.
